

Brainerd Fire Department Monthly Report

January 2022

ACTIVITIES AND PUBLIC EDUCATION

As we come off our busiest year in the history of the Fire Department, we end January, 2022 as the second busiest January. Things are not slowing down. Firefighters responded to three structure fires within a one week period in January.

We were excited to have our Annual Fire Department Dinner this year after a year off because of Covid-19. It was great to get back together with some of our retired firefighters and enjoy time together with our fire family.

Firefighter Paul Rosier was named the 2021 Brainerd Firefighter of the Year. Firefighter Rosier was selected because of his dedication, care for other firefighters, and his willingness to help wherever needed. Firefighter Rosier is a growing leader in the department and exhibits all the values and characteristics we hold high in our department.

This year we were able to have a crew once again assist at the Brainerd Jaycees Ice Fishing Extravaganza event on Gull Lake.

TRAINING AND STAFF DEVELOPMENT

Firefighter training in January included EMS, Fire Behavior and Flow Path, UTV Operations with Patient Transport, and Firefighter Fitness. Our online training included Bloodborne Pathogens and Hazard Communications GHS.
