City Staff presents the following items of the City Charter, to the Charter Commission for discussion:

- **Chapter One – Name, Boundaries, Powers and Divisions, Number 2:**

Original language:

2. That the Council be empowered to divide the City of Brainerd by ordinance into four (4) wards as equal in size and population as practicable. The Council must, within 60 days after each U.S. decennial census, readjust the boundaries of the four (4) wards provided there is a 10% or more deviation in population among said wards and if the Council does not do so, the Charter Commission of the City of Brainerd is empowered to do so.
 - a. **FIRST WARD:** All of the territory south of the main line of the Burlington Northern Santa Fe Railroad and east of the Mississippi River beginning at the mainline railroad tracks and following said River south to the south City limits/Woodland Hills Lane, thence east to Greenwood Street, thence south to the centerline of the South 6th Street/Business Highway 371, thence northeast to the centerline of County Road 117, thence east to the centerline of the Spur Line Trail, thence north to the centerline of Willow Street, thence west to the centerline of South 6th Street/Business Highway 371, thence north to the centerline of Rosewood Street, thence east to the centerline of South 7th Street, thence north to the centerline of Quince Street, thence east to the centerline of the Spur Line Trail, thence north to the mainline railroad tracks of the Burlington Northern Santa Fe Railroad, thence west to the Mississippi River to the point of beginning.
 - b. **SECOND WARD:** All of the territory within the City limits west/northwest of the Mississippi River, and, southeast of the Mississippi River commencing at the intersection of the centerline of the Mississippi River and the main line of the Burlington Northern Santa Fe Railroad, thence east along the railroad tracks to the centerline of North 8th Street, thence north to the centerline of Washington Street, thence east to the centerline of North 10th Street, thence north to the centerline of Grove Street, thence east to the centerline of North

11th Street, thence north along North 11th Street to the centerline of Evergreen Avenue, thence northeast to the Public Access driveway, thence north along the driveway to the centerline of the Mississippi River.

- c. **THIRD WARD:** All of the territory north of the main line of the Burlington Northern Railroad and east of a line commencing at the intersection of the Burlington Northern Santa Fe main line track and the centerline of North 8th Street, thence north along North 8th Street to the centerline of Washington Street, thence east to the centerline of North 10th Street, thence north to center line of Grove Street, thence east to the centerline of North 11th Street, thence north to the centerline of Evergreen Avenue, thence northeast to the Public Access Driveway, thence north along the driveway to the centerline of the Mississippi River, thence northeasterly along the centerline of the Mississippi River to the east City limits.
- d. **FOURTH WARD:** All of the territory South of the main line of the Burlington Northern Railroad and east of a line commencing at the intersection of the Burlington Northern Santa Fe main line track and the centerline of the Spur Line Trail, thence south to the centerline of Quince Street, thence west to the centerline of South 7th Street, thence south to the centerline of Rosewood Street, thence west to the centerline of South 6th Street/Business Highway 371 thence south to the centerline of Willow Street, thence east to the centerline of the Spur Line Trail, thence south to the centerline of County Road 117, thence west to the centerline of South 6th Street/Business Highway 371, thence south to the south City limits.

Revised language:

2. The City shall be divided into four wards in accordance with state law.

Explanation: This was the language agreed upon by the Charter Commission at the April 20, 2022 Charter Commission meeting. This allows for ease of update to the wards when needed to be reviewed after each decennial census.

- **Chapter Two – Officers and Elections #14:**

Original language:

At the first meeting of the City Council after the regular City election it shall proceed to elect by ballot from its number a President and Vice-President. The President shall preside over the meetings of the City council and appoint all standing and temporary committees thereof, and during absence of the Mayor from the City, or the Mayor's inability for any reason to discharge the duties of the office, the said President shall exercise all the powers and discharge all the duties of the Mayor.

In case the President shall be absent at any time the Vice-President shall discharge the duties of such President and act in the President's place. The President or Vice-

President while performing the duties as Mayor shall be styled "Acting Mayor", and acts performed by either when acting as Mayor, shall have the same force and validity as if performed by the Mayor.

Revised language:

At the first meeting in January of the City Council after the regular City election it shall proceed to elect by ballot from its members a President and Vice-President. The President shall preside over the meetings of the City council and appoint all standing and temporary committees thereof, and during absence of the Mayor from the City, or the Mayor's inability for any reason to discharge the duties of the office, the said President shall exercise all the powers and discharge all the duties of the Mayor.

In case the President shall be absent at any time the Vice-President shall discharge the duties of such President and act in the President's place. The President or Vice-President while performing the duties as Mayor shall be styled "Acting Mayor", and acts performed by either when acting as Mayor, shall have the same force and validity as if performed by the Mayor.

Explanation: The current language indicates the President and Vice-President would be chosen at the meeting following election, which normally would be the 2nd council meeting in November. Adding in January provides clarification and has been the City's practice and specifying that it is the members of the City Council who can serve as President and Vice-President.

- **Chapter Two – Offers and Elections; Duties of City the City Council; Insert a new number 36 and renumber thereafter.**

Original language:

Chapter 5:

8. The City Council may at its discretion defer payment of certain special assessments for street improvements as defined in Chapter 429 of the Minnesota Statutes where a financial hardship exists. The Council shall by Ordinance define the circumstances wherein such deferments may be made.

The City Council does endorse the principal of deferment of special assessments for those citizens where the payment of said special assessments constitute a financial hardship. The Council, in accordance therewith, may defer the payment of a special assessment on homestead property owned by a person who has a financial hardship, and the payment of the assessment would create a further financial hardship.

The deferment may be granted upon an application by the owner on a form

prescribed by the County Auditor supplemented by the City Administrator to establish the qualification of the owner for said deferment. All deferments shall be subject to renewal each following year upon the filing of a similar application not later than August 15. The Council shall either grant or deny the deferment, and if it grants the deferment, the deferred assessment shall bear interest at the rate established in the Resolution adopting the assessment. If the Council grants the deferment, the Administrator shall notify the County Auditor who shall record a notice of the deferment with the County Recorder setting forth the amount of the assessment.

A hardship shall be deemed prima facie to exist when all of the following apply:

A. The applicant, his spouse and family combined shall not have an annual gross income in excess of the low-income limits established by the Housing and Redevelopment Authority of the City of Brainerd in effect at the time of application. All data necessary to confirm applicant's income shall be furnished to the City Administrator.

B. The total special assessments to be deferred exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.

C. The applicant certifies that the total assets of the applicant and spouse, exclusive of the homestead, do not exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.

D. The Crow Wing County Assessor's estimated market value of the applicant's homestead is less than the sum specified in the most current Resolution adopted by the City Council setting this amount.

Notwithstanding the foregoing provisions of this paragraph, the City Council may consider exceptional and unusual circumstances pertaining to an applicant not covered by the above standards; but any determination shall be made in a non-discriminatory manner and shall not give the applicant an unreasonable preference or advantage over other applicants.

The option to defer payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following events:

A. The death of the owner when there is no spouse who is eligible for deferment;

B. The sale, transfer, or subdivision of all or any part of the property;

C. Loss of homestead status on the property;

D. Determination by the Council for any reason that there would be no hardship to require immediate or partial payment; or

E. Failure to file a renewal application within the time prescribed in this section.

Revised language:

36. The City Council may at its discretion defer payment of certain special assessments for street improvements as defined in Chapter 429 of the Minnesota Statutes where a financial hardship exists. The Council shall by Ordinance or Resolution define the circumstances wherein such deferrals may be made.

Explanation: State Statute 435.193 (attached) allows a city, at its discretion, to defer the payment of an assessment for any homestead property. The statute later states that a City shall adopt an ordinance or resolution establishing guidelines for determining a hardship. The City Council had adopted Ordinance No. 974 (attached), which amended the Charter, as well as Resolution 48:88 and amended by Resolutions 57:94, 71:96, 25:99, 06:05 and 54:16 (attached) establishing the criteria. At the May 2, 2022 City Council meeting, Council directed Staff to review and recommend changes to Resolution 54:16. Staff recommends removing the language of the criteria for deferral from the Charter and have in a Resolution that can be amended as deemed necessary. Also, by moving this section to Chapter 2, Chapter 5 could be eliminated.

- **Chapter Three Finances, Number 2.**

Original language:

2. Except as otherwise provided herein, all disbursements shall be made by check or electronic transfer. Checks shall be signed by the Mayor and countersigned by the City Administrator. All payments are to be reviewed and approved by the City Council

The City Council shall annually levy taxes to provide for the following specifically designated fund:

A PERMANENT IMPROVEMENT FUND, for paying such portion of the cost of improving streets and alleys as shall devolve upon the City, under the provisions of Subdivision (11) of this Section 46. For the support of this fund the City Council shall annually levy on taxable property of the City taxes to an amount not to exceed 9% of the City's previous year's total levy. No part of this fund shall be used for any other purpose. In anticipation of the collection of such taxes for the then current year and succeeding years, the City Council may at the proper time, and from time to time, issue and dispose of certificates of indebtedness in an aggregate amount equal to eighty (80) per cent of such levy in the then current year and estimated amount for not more than ten succeeding years; provided, that the issuable aggregate of such certificates of indebtedness shall at no time exceed the sum of money then in the permanent improvement revolving fund under the provisions of Section 49 of the City Charter, as herewith amended, together with the additional

amount of bonds that may or can be issued thereunder, added to the total of cash payments guaranteed by bonds of owners of real property abutting on such or similar street or alley improvements. These certificates shall be known as Re-paving Certificates of Indebtedness, and on every one shall be stated the particular purpose for which it is issued or describe the specific improvement on which it is based. Such certificates shall be consecutively numbered, with date of issue, date of maturity, bear interest, payable semi-annually, have proper interest coupons attached, be signed by the Mayor, countersigned by the City Administrator, and be attested by the corporate seal; and, so far as practicable, shall be in denominations of not less than \$500.00. Whenever occasion arises for the issuance of such repaying certificates, it shall be the duty of the City Council to make requisite calculations, computations and estimates with respect to the quantity and various times of collection of taxes so levied and to be levied, and thereupon, as the circumstances may require, to issue and sell one or more of such certificates. All such certificates shall be so issued as to mature serially, on proper dates, to the end that eighty (80) per cent of the estimated tax collection for this fund in each and every year will pay the certificates as they mature, and succeeding issues shall appear in regular order following previously issued certificates; and whenever there is an unused or unappropriated margin of such eighty (80) per cent of the estimated tax collection for this fund, over and above the aggregate amount of all such certificates theretofore issued, then and under such circumstances the earliest maturing certificates of the next succeeding issue shall be made to mature at such times and in such manner as to assure payment thereof out of, and at the time of collection of, such prior unused or unappropriated margin of such eighty (80) per cent of such estimated tax collection. If in any year the taxes collected for this fund shall not be sufficient to pay the certificates maturing in that year, the deficit shall be paid from the general fund. The earliest maturing certificates of the first issue hereunder shall mature on the first day of December in the year following the year of their issuance, and the other certificates in such issue, to mature later and serially, shall be distributed in succeeding serials and follow in such order of maturity that eighty (80) per cent of the estimated tax collections, year by year, will pay such certificates in each and every year thereafter. Neither the City Council nor any officer of the City shall in any year appropriate, expend or disburse any part of this fund, or do any other act therewith, at such time or in such manner as to render the available balance thereof insufficient to pay, when due, the certificates maturing in that particular year. The City Council shall, at the proper time, and from time to time, prepare for every issue and sale of such re-paving certificates of indebtedness by appropriate resolution setting forth in sufficient detail the date of issuance, number or quantity, specific denominations, and various dates of maturity thereof, the rate of interest thereon, and the nature or character, location, extent, and approximate total cost of the particular improvement on which the same are founded. The sale of such certificates of indebtedness shall be made, conducted, and carried on in the manner provided for sales of bonds under the certain provisions of section 49 of the City Charter, as herewith amended; provided, further, that no certificate shall be sold for less than par and accrued interest.

Revised language:

2. Except as otherwise provided herein, all disbursements shall be made by check or electronic transfer. Checks shall be signed by the Mayor and countersigned by the City Administrator. All payments are to be reviewed and approved by the City Council

The City Council shall annually levy taxes to provide for the following specifically designated fund:

A PERMANENT IMPROVEMENT FUND, for paying such portion of the cost of improving streets and alleys. For the support of this fund the City Council shall annually levy on taxable property of the City taxes to an amount not to exceed 9% of the City's previous year's total levy. No part of this fund shall be used for any other purpose.

Explanation: The first item is formatting. The Permanent Improvement Fund was left in the Charter to maintain a levy for road improvements. All funds collected from this levy are transferred into the Construction Fund (401). The other language remaining was eliminated with other changes to the charter such as the references to Subdivision 11 Section 46 and Section 49. The rest of the section talks about certificates and issuing debt. To Staff' knowledge, 100% of this fund's balance has been transferred and used to maintain streets and alleys and the City issues debt under the sections of state statute that apply, such as 429 bonds.

- **Chapter Three Finances, Numbers 3-5.**

Original Language:

3. That annual amount to be levied for general taxation in any year for all said funds shall not exceed the amounts as established by state statute. There shall be a levy of 1.5% of the previous year's total City levy for an entity within the city limits of Brainerd to provide community action programs and events.
4. There shall be a levy of 1.5% of the previous year's total City levy for the establishment and maintenance of a program for the benefit of senior citizens or to a subsidized non-profit senior citizens organization within the city limits of Brainerd.
5. There shall be a levy of 1.5% of the previous year's total City levy an arboretum or green space organization within the city limits of Brainerd.

Revised Language

3. That annual amount to be levied for general taxation in any year for all said funds shall not exceed the amounts as established by state statute. There shall be a levy of 1.5% of the previous year's total City levy for one or more

entities located entirely within the city limits of Brainerd to provide community action programs and events.

4. There shall be a levy of 1.5% of the previous year's total City levy for the establishment and maintenance of programs for the benefit of senior citizens or to a subsidized non-profit senior citizens organization(s) located entirely within the city limits of Brainerd.
5. There shall be a levy of 1.5% of the previous year's total City levy for one or more arboretum or green space organizations located entirely within the city limits of Brainerd.

Explanation: At the April 20th meeting, the Charter Commission discussed the intent of the language "within the city limits of Brainerd." A motion was made to send back to the Council that the Charter Commission's intent with "within the city limits" means that the money levied be spent on entities fully within the city of Brainerd. Therefore, to clarify the intent, we are proposing amending the language to state: "entirely within the city limits of Brainerd" in Chapter Three, Sections 3, 4 and 5.

The Charter Commission also made a motion to allow the distributing of funds to include one or more in reference to green space organizations, senior programs and community action organizations. Therefore, we have also clarified that by adding the phrase "one or more" in front of organizations.

- **Chapter Five Streets**

Original Language:

1. The City Council may by a vote of two-thirds of the members thereof, vacate any highway, street, lane, or alley, or portion of either, and such power of vacating highways, streets, lanes, and alleys within the City of Brainerd is vested exclusively in the City Council and no court or other body or authority shall have any power to vacate any such highway, street, lane or alley.
2. The City Council shall have power to designate districts or portions of the streets and alleys of the City for the purpose of cleaning the same and may provide for the cleaning of such districts by a contract on such terms as shall be deemed advisable.
3. It is hereby made the duty of all owners of land adjoining any street, lane or alley in said City, to construct, reconstruct and maintain in good repair such sidewalks along the side of the street, lane or alley next to the lands of such owners respectively, as may have been heretofore constructed, or shall hereafter be constructed, or directed by the City Council to be built, and of such material and width, and upon such places and grades as the City Council may by ordinance or otherwise prescribe. Whenever the City Council shall deem it necessary that any sidewalk in the City of Brainerd shall be constructed or re-constructed, it shall by resolution direct such construction or re-construction, specifying the width thereof, and the

material of which the same is to be constructed. The publication of such resolution once in the official paper of the City shall be sufficient notice to the owners of the land along which said sidewalk is to be built to construct the same, and unless such owners shall each along each owner's respective land, construct and fully complete such sidewalks within two (2) weeks after the publication of such resolution as aforesaid, the City Council shall forthwith proceed to ascertain the expense of constructing the same and assess and levy such expense upon and against each lot and parcel of land upon which such sidewalk shall front. Such assessment shall be collected in the same way in all things as provided for the collection of special assessments under the provisions of Section 75 of this Charter. And the City Council may either before or after making such assessment cause such portion of such sidewalks as have not been built by the owners of such land fronting on the same and all street crossings to be built by the City, or upon contract or by any other person as the council may determine.

4. If the owner of any lot or parcel of land shall suffer any sidewalk along the same to become broken, rotten or out of repair, it shall be the duty of the City Engineer to immediately repair the same in a good, substantial and thorough manner, and to report to the City Council the cost of such repairs in each case, and a description of the lot or parcel of land abutting which such repairs are made, and such report shall be filed and carefully preserved by the City Administrator. And the City Council shall once in each year, at, or as near as conveniently may be, the time of levying the yearly City taxes, assess and levy upon each of the parcels of land fronting or abutting upon sidewalks which have been repaired by the City, the cost of making such repairs. In each case such assessment for all such repairs within the year may be combined in one assessment roll and be collected as provided for in other special assessments in this Charter. In case any such sidewalk shall become so out of repair as to become dangerous and cannot be made safe without being rebuilt, and there are no funds to defray the expense of such rebuilding, it shall be the duty of the City Engineer to remove the same entirely, and the expense of such removal shall be added to the cost of rebuilding when the same shall be reconstructed and collected with the assessment for such reconstruction.
5. It shall be the duty of the City Council, before ordering the construction of any new sidewalk, to cause ground on which is to be built to be properly graded.
6. No railway company or street company shall have any right in cleaning their tracks through any part of the City or otherwise, to pile up snow or other material and leave the same piled upon any traveled portion of any street in the City. Any such company shall be liable to any person who shall be injured by means of any obstruction caused by the company or its servants for all damages sustained.
7. It shall require a two-thirds (2/3) vote of the members elect of the City Council to determine, in the first instance to make any improvement for which a special assessment may be levied, except in respect to sidewalks, when a majority shall suffice. But this restriction shall not apply to any subsequent act of the Council touching such improvement, or the special assessment to provide means therefor.

8. The City Council may at its discretion defer payment of certain special assessments for street improvements as defined in Chapter 429 of the Minnesota Statutes where a financial hardship exists. The Council shall by Ordinance define the circumstances wherein such deferments may be made.

The City Council does endorse the principal of deferment of special assessments for those citizens where the payment of said special assessments constitute a financial hardship. The Council, in accordance therewith, may defer the payment of a special assessment on homestead property owned by a person who has a financial hardship, and the payment of the assessment would create a further financial hardship.

The deferment may be granted upon an application by the owner on a form prescribed by the County Auditor supplemented by the City Administrator to establish the qualification of the owner for said deferment. All deferments shall be subject to renewal each following year upon the filing of a similar application not later than August 15. The Council shall either grant or deny the deferment, and if it grants the deferment, the deferred assessment shall bear interest at the rate established in the Resolution adopting the assessment. If the Council grants the deferment, the Administrator shall notify the County Auditor who shall record a notice of the deferment with the County Recorder setting forth the amount of the assessment.

A hardship shall be deemed prima facie to exist when all of the following apply:

- A. The applicant, his spouse and family combined shall not have an annual gross income in excess of the low-income limits established by the Housing and Redevelopment Authority of the City of Brainerd in effect at the time of application. All data necessary to confirm applicant's income shall be furnished to the City Administrator.
- B. The total special assessments to be deferred exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.
- C. The applicant certifies that the total assets of the applicant and spouse, exclusive of the homestead, do not exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.
- D. The Crow Wing County Assessor's estimated market value of the applicant's homestead is less than the sum specified in the most current Resolution adopted by the City Council setting this amount.

Notwithstanding the foregoing provisions of this paragraph, the City Council may consider exceptional and unusual circumstances pertaining to an applicant not covered by the above standards; but any determination shall be made in a non-discriminatory manner and shall not give the applicant an unreasonable preference or advantage over other applicants.

The option to defer payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following events:

- A. The death of the owner when there is no spouse who is eligible for deferment;
- B. The sale, transfer, or subdivision of all or any part of the property;
- C. Loss of homestead status on the property;
- D. Determination by the Council for any reason that there would be no hardship to require immediate or partial payment; or
- E. Failure to file a renewal application within the time prescribed in this section.

Revised Language

Eliminate the Chapter. Subsequent chapters will be renumbered.

Explanation: Elimination of Chapter 5 Numbers 1-7 was discussed and agreed upon at the April 20, 2022 Charter Commission meeting. Number 8, dealing with deferred assessment, Staff has suggested above to insert a number 36 in Chapter 2.

Staff will be available at the meeting to answer any questions.

435.193 HARDSHIP ASSESSMENT DEFERRAL FOR SENIORS, DISABLED, OR MILITARY PERSONS.

(a) Notwithstanding the provisions of any law to the contrary, any county, statutory or home rule charter city, or town, making a special assessment may, at its discretion, defer the payment of that assessment for any homestead property:

(1) owned by a person 65 years of age or older or retired by virtue of a permanent and total disability for whom it would be a hardship to make the payments; or

(2) owned by a person who is a member of the Minnesota National Guard or other military reserves who is ordered into active military service, as defined in section [190.05](#), subdivision 5b or 5c, as stated in the person's military orders, for whom it would be a hardship to make the payments.

- ~~2. The City Council shall have power to designate districts or portions of the streets and alleys of the City for the purpose of cleaning the same and may provide for the cleaning of such districts by a contract on such terms as shall be deemed advisable.~~
- ~~3. It is hereby made the duty of all owners of land adjoining any street, lane or alley in said City, to construct, reconstruct and maintain in good repair such sidewalks along the side of the street, lane or alley next to the lands of such owners respectively, as may have been heretofore constructed, or shall hereafter be constructed, or directed by the City Council to be built, and of such material and width, and upon such places and grades as the City Council may by ordinance or otherwise prescribe. Whenever the City Council shall deem it necessary that any sidewalk in the City of Brainerd shall be constructed or re-constructed, it shall by resolution direct such construction or re-construction, specifying the width thereof, and the material of which the same is to be constructed. The publication of such resolution once in the official paper of the City shall be sufficient notice to the owners of the land along which said sidewalk is to be built to construct the same, and unless such owners shall each along each owner's respective land, construct and fully complete such sidewalks within two (2) weeks after the publication of such resolution as aforesaid, the City Council shall forthwith proceed to ascertain the expense of constructing the same and assess and levy such expense upon and against each lot and parcel of land upon which such sidewalk shall front. Such assessment shall be collected in the same way in all things as provided for the collection of special assessments under the provisions of Section 75 of this Charter. And the City Council may either before or after making such assessment cause such portion of such sidewalks as have not been built by the owners of such land fronting on the same and all street crossings to be built by the City, or upon contract or by any other person as the council may determine.~~
- ~~4. If the owner of any lot or parcel of land shall suffer any sidewalk along the same to become broken, rotten or out of repair, it shall be the duty of the City Engineer to immediately repair the same in a good, substantial and thorough manner, and to report to the City Council the cost of such repairs in each case, and a description of the lot or parcel of land abutting which such repairs are made, and such report shall be filed and carefully preserved by the City Administrator. And the City Council shall once in each year, at, or as near as conveniently may be, the time of levying the yearly City taxes, assess and levy upon each of the parcels of land fronting or abutting upon sidewalks which have been repaired by the City, the cost of making such repairs. In each case such assessment for all such repairs within the year may be combined in one assessment roll and be collected as provided for in other special assessments in this Charter. ~~dangerous and cannot be made safe without being rebuilt, and there are no funds to defray the expense of such rebuilding, it shall be the duty of the City Engineer to remove the same entirely, and the expense of such removal shall be added to the cost of rebuilding when the same shall be reconstructed and collected with the assessment for such reconstruction.~~

~~5. It shall be the duty of the City Council, before ordering the construction of any new sidewalk, to cause ground on which is to be built to be properly graded.~~

~~6. No railway company or street company shall have any right in cleaning their tracks through any part of the City or otherwise, to pile up snow or other material and leave the same piled upon any traveled portion of any street in the City. Any such company shall be liable to any person who shall be injured by means of any obstruction caused by the company or its servants for all damages sustained.~~

~~7. It shall require a two-thirds (2/3) vote of the members elect of the City Council to determine, in the first instance to make any improvement for which a special assessment may be levied, except in respect to sidewalks, when a majority shall suffice. But this restriction shall not apply to any subsequent act of the Council touching such improvement, or the special assessment to provide means therefor.~~

~~8. The City Council may at its discretion defer payment of certain special assessments for street improvements as defined in Chapter 429 of the Minnesota Statutes where a financial hardship exists. The Council shall by Ordinance define the circumstances wherein such deferments may be made.~~

~~The City Council does endorse the principal of deferment of special assessments for those citizens where the payment of said special assessments constitute a financial hardship. The Council, in accordance therewith, may defer the payment of a special assessment on homestead property owned by a person who has a financial hardship, and the payment of the assessment would create a further financial hardship.~~

~~The deferment may be granted upon an application by the owner on a form prescribed by the County Auditor supplemented by the City Administrator to establish the qualification of the owner for said deferment. All deferments shall be subject to renewal each following year upon the filing of a similar application not later than August 15. The~~

~~Council shall either grant or deny the deferment, and if it grants the deferment, the deferred assessment shall bear interest at the rate established in the Resolution adopting the assessment. If the Council grants the deferment, the Administrator shall notify the County Auditor who shall record a notice of the deferment with the County Recorder setting forth the amount of the assessment.~~

~~A hardship shall be deemed prima facie to exist when all of the following apply:~~

~~A. The applicant, his spouse and family combined shall not have an annual gross income in excess of the low income limits established by the Housing and Redevelopment Authority of the City of Brainerd in effect at the time of application. All data necessary to confirm applicant's income shall be furnished to the City Administrator.~~

~~B. The total special assessments to be deferred exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.~~

~~C. The applicant certifies that the total assets of the applicant and spouse, exclusive of the homestead, do not exceed the sum specified in the most current Resolution adopted by the City Council setting this amount.~~

~~D. — The Crow Wing County Assessor's estimated market value of the applicant's homestead is less than the sum specified in the most current Resolution adopted by the City Council setting this amount.~~

~~Notwithstanding the foregoing provisions of this paragraph, the City Council may consider exceptional and unusual circumstances pertaining to an applicant not covered by the above standards; but any determination shall be made in a non-discriminatory manner and shall not give the applicant an unreasonable preference or advantage over other applicants.~~

~~The option to defer payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following events:~~

- ~~A. — The death of the owner when there is no spouse who is eligible for deferment;~~
- ~~B. — The sale, transfer, or subdivision of all or any part of the property;~~
- ~~C. — Loss of homestead status on the property;~~
- ~~D. — Determination by the Council for any reason that there would be no hardship to require immediate or partial payment; or~~
- ~~E. — Failure to file a renewal application within the time proscribed in this section.~~
